Mrs.

Genevieve

B. Wilhelm

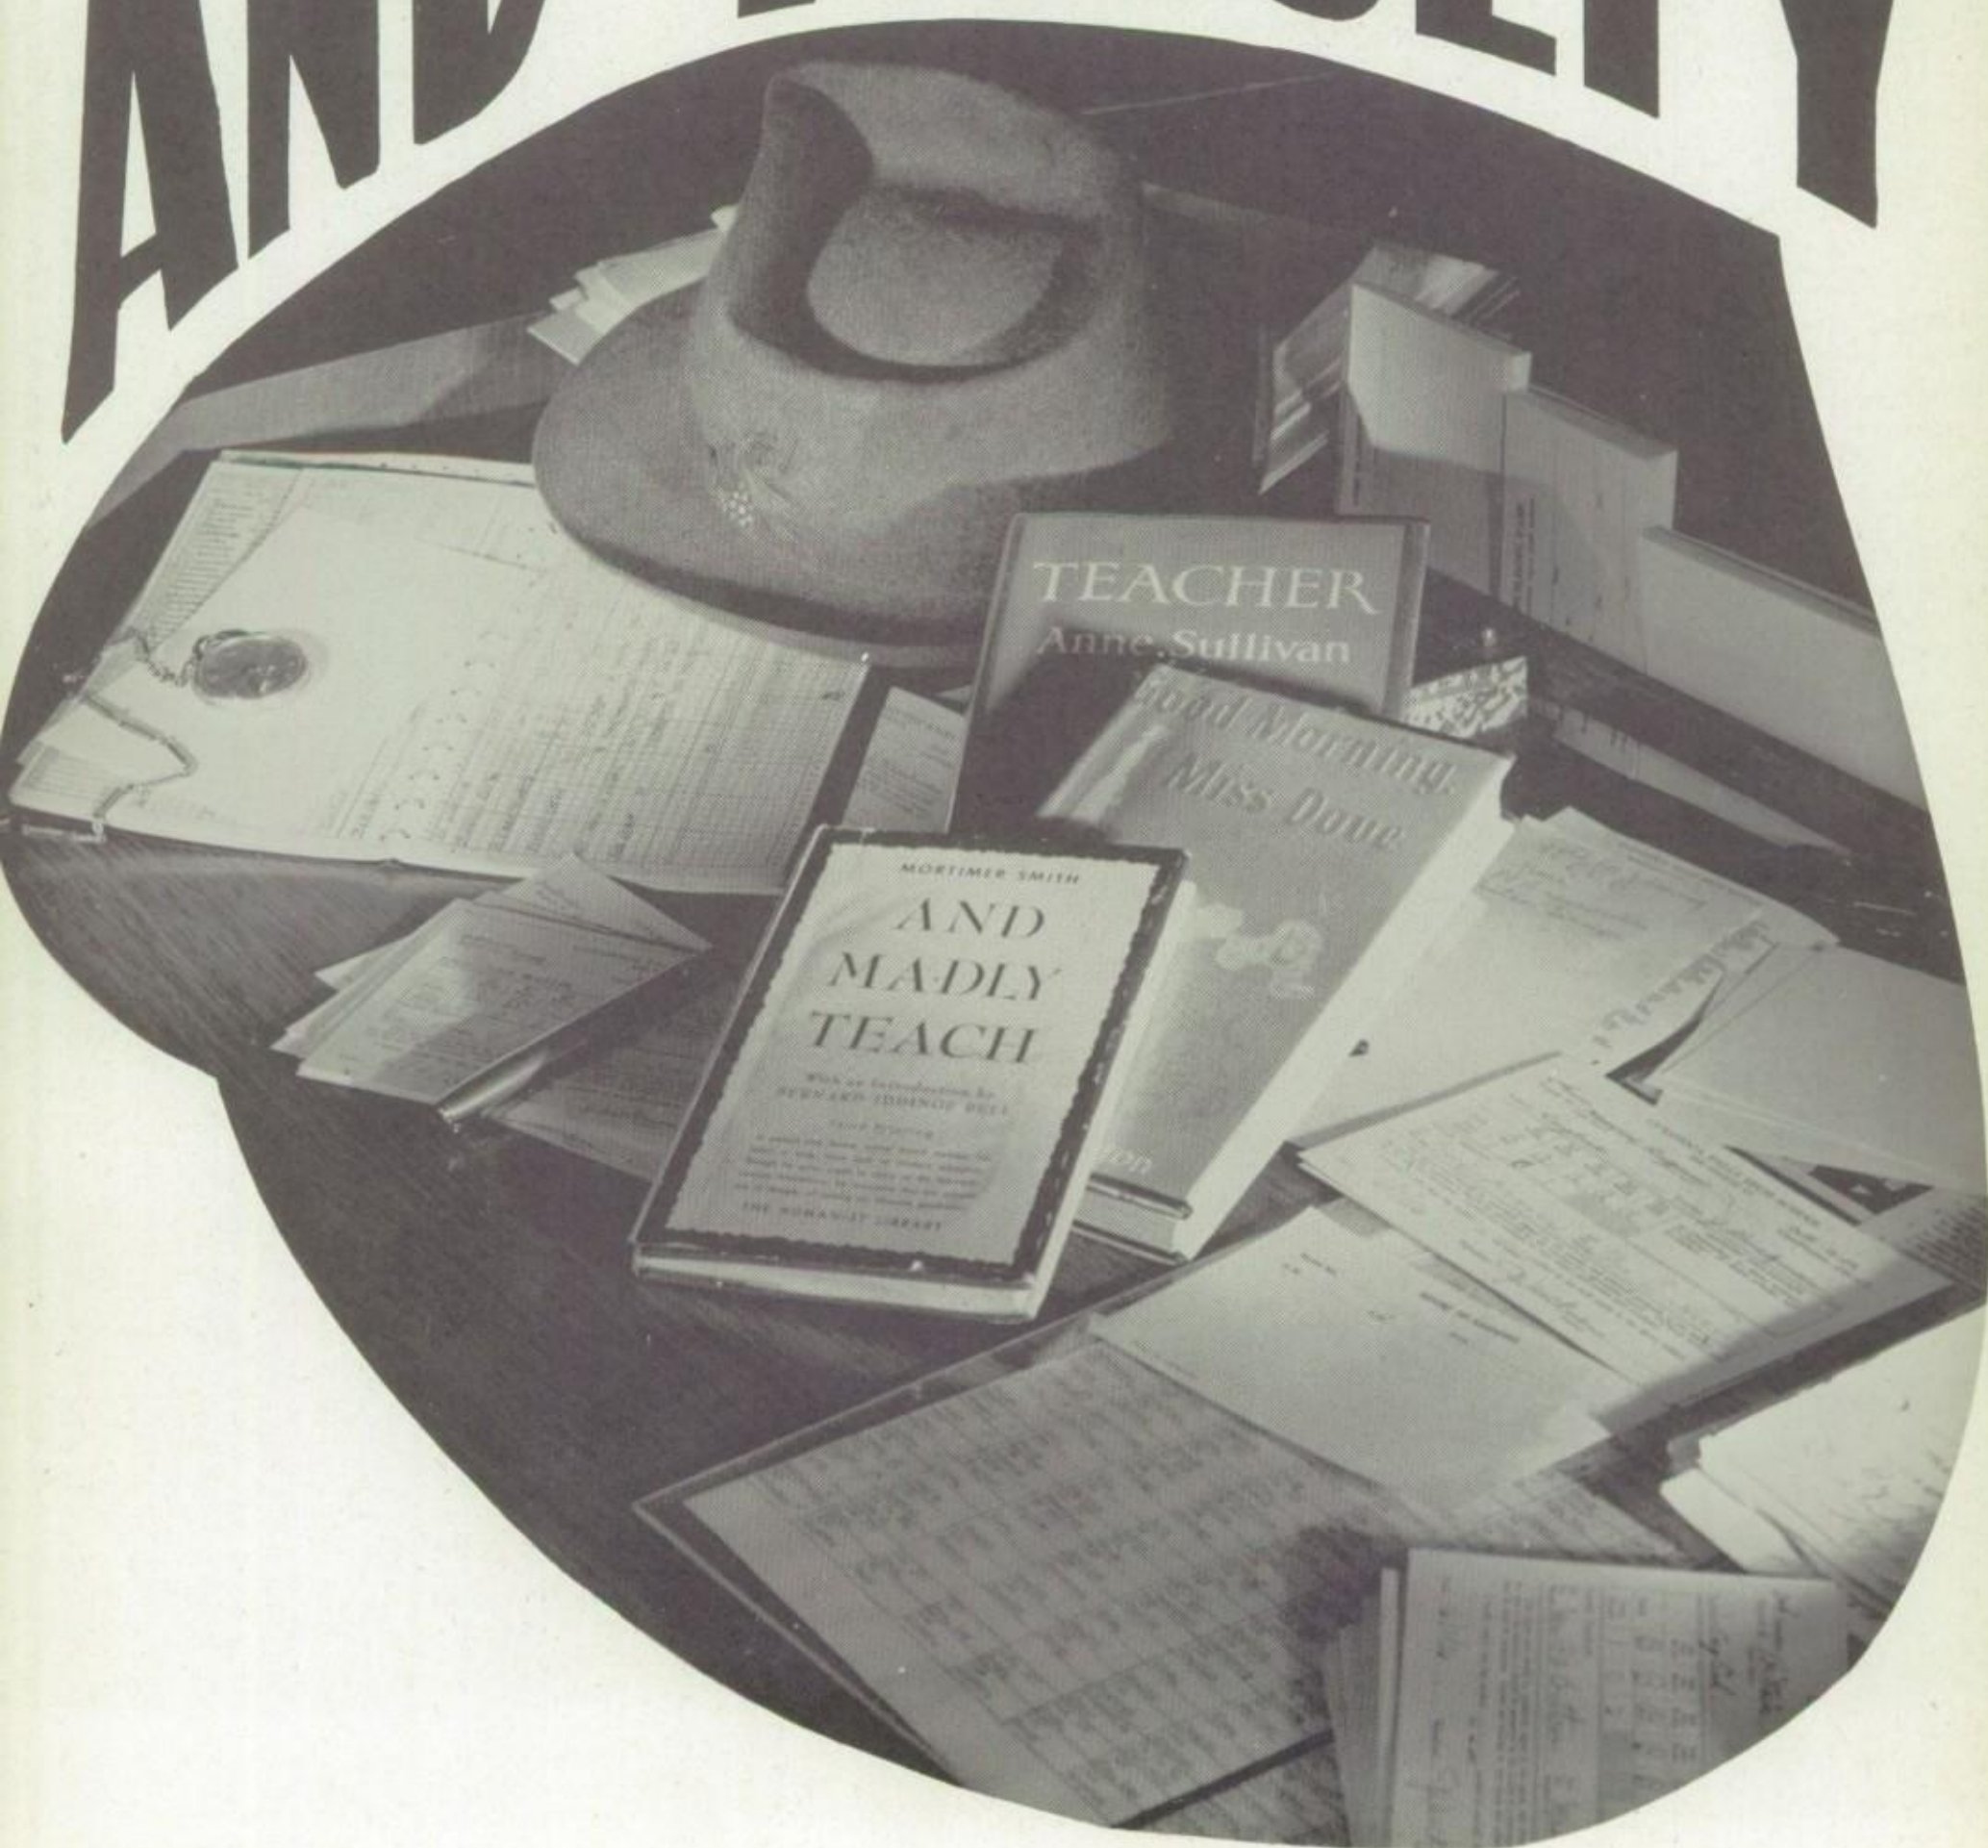

We, the class of 1957, as Seniors about to leave Falls High, wish to express our deep gratitude to Mrs. Genevieve B. Wilhelm. Looking back upon our four years with you, we value your loyalty to us, your great patience, your enthusiasm for our progress, and your guidance in a number of school activities.

As head of the art department you have inspired and encouraged many of our classmates to increase their artistic abilities and create some lovely work. To some this has been the beginning of a career in the field of art. You evidently never wearied of assisting us in problems of party decoration, poster making and scenery designing.

For your active work as sponsor of the very essential Booster Club we are particularly grateful. Much of the success of this club is due to your skill in enlisting our energetic support. Every project is undertaken with zest and ingenuity. We are not likely to forget the stunning effects you helped us to achieve at the Homecoming dances.

Therefore, because we feel that you have contributed so much to our enjoyment of high school, we dedicate this, our yearbook, to you, Mrs. Wilhelm.

TIME FOR ADMINISTRATION AND FACULTY

Board of Education

Standing, Left to Right: Mr. Sophrin, Mr. Cooper. Seated: Mr. Reid, Mr. Nicol, Mrs. Skeels.

The Cuyahoga Falls Board of Education deserves a great deal of credit for its dedicated efforts to solve the problems of our entire school system.

The five members, who make up the Board, are elected for a term of two years. They meet twice a month to discuss and solve the difficulties of Finances, Personnel, Building and Grounds, and Health and Safety. These issues form the basic committees which investigate and report to the Board any problem which may arise. The Board then acts as a committee of the whole in rendering its discussions to these particular problems.

We, the members of the graduating classes of 1957, are indeed grateful to these unselfish citizens who work so earnestly to improve our school system.

Mr. Alex Walker was the motivating power behind the Board for almost four years. Under his able leadership the Board not only functioned well but progressed steadily.

We, who are about to graduate, wish to express our appreciation for the fine work that he has done.

Mr. John Steinhauer

Assistant Superintendent Steinhauer received his B.S. from Miami University and his M.A. from Ohio State.

Mr. Steinhauer is the one in charge of all properties of the schools from books to paper clips. He has charge of all non-teaching employees and is the man in charge of such things as heat and light. You might remember seeing him in one of your classrooms with a light meter or checking the temperature. He also is responsible for all buildings and additions to be built; with this is included the advertising for bids and the specifications for the building.

Dr. Ruth Clayton

Dr. Ruth B. Clayton, Co-ordinator of Pupil Personnel, is supervisor of all special services in the Cuyahoga Falls School System, including an overall testing program, school psychologists, nurses and health programs, speech therapists, attendance, visiting teacher, guidance in both the junior high and the high school, all special education including slow, gifted, and physically handicapped and a research program.

Mr. Ward Secrist

Mr. Secrist, Co-ordinator of Curriculum, received his B.S. from Kent State University and his M. E. from Pittsburgh University.

As co-ordinator of curriculum, he is the man responsible for the courses of study in the schools. This means not only new textbooks but what parts should be skipped and what additional parts taken. He must also see that there is vertical and horizontal uniformity. That is, see that the work become progressively harder and all pupils in the same grade at different schools learn the same things.

Our Superintendent . . .

Fred Bode

Superintendent F. H. Bode received his B.A. from Heidelberg College and his M.A. from Columbia University.

Mr. Bode is the highest official of the entire Cuyahoga Falls School system, being in charge of all administrative personnel and teachers. He not only has the responsibility for all administration, for interviewing and hiring teachers, but for the education of all children of school age in Cuyahoga Falls. Even if a child is privately tutored, or goes to a private school, or goes to a school for the handicapped, he has the responsibility of seeing that these children are receiving a good education.

With all his other duties Mr. Bode has been instrumental in bringing about many innovations. Among these are a new grading system, junior high schools, and enriched classes.

Mr. Bode is something of a jack-of-all trades, an excellent farmer, a good carpenter, and a fair plumber.

Our Principal . . .

Gordon

M.

DeWitt,

B. S., M. A.

Mr. Gordon M. DeWitt, our principal, received his B.S. Degree from Kent State University and his M.A. Degree at Ohio State University. The teachers at Cuyahoga Falls High School in November, 1954, presented him with a life membership to the National Education Association and earlier, in 1949, the boys at Falls High presented him with a life membership to the Hi-Y. This year he will complete his twenty-third year as principal at our school.

Mr. DeWitt enjoys traveling and amateur photography and has a collection of some 1500 colored slides taken while on his trips. Outside of school he is a member of the Kiwanis club and an active member of the First Methodist Church, where he teaches Sunday School.

Through our four years here at Falls High Mr. DeWitt has been very highly respected for the help and guidance he has given us, both with our studies and social affairs. In future years when our thoughts drift back to the alma mater, Mr. DeWitt will always be first among our memories.

Deans . . .

Dean of Girls

Mrs. Elizabeth Ellis has served as Dean of Girls and Assistant Principal of Cuyahoga Falls High School since 1940. Her duties include various phases of guidance for girls and the care of the girls' attendance records. She is chairman of the Freshman Advisory Committee and advisor for the Cuyahoga Falls Student Council. In addition she teaches two classes of psychology. Her quiet efficiency and calm demeanor will long be remembered by those of us who have felt her influence in our lives.

Elizabeth Ellis, B.S., M.A.

Dean of Boys

Mr. Howard D. Saurer received his B.S. Degree from the College of Wooster and did graduate work at Akron University. He serves as a sponsor for the tenth grade, as advisor for the Hi-Y, and as Faculty advisor for the Cuyahogan business staff. Outside of his busy school schedule, he enjoys gardening and playing golf, and is a member of the Falls Rotary Club. The students of Falls High will remember him not only as a teacher and dean, but also as a friendly advisor to all who seek his counsel.

Howard Saurer, B.S.

In Memoriam

Sallie M. Sears

*We hear her voice so clearly,
Her wisdom we can feel,
Her guidance, held so dearly,
Our own gifts does reveal.*

*Is that her step we're hearing?
Our energy increases!
Her freshness, so endearing,
Our hidden thought releases.*

*They try to say she's gone away,
That we can't hear that voice,
But inspiration's here to stay:
Miss Sears is still our choice!*

Lest We

Forget . . .

We, the members of the 1957 graduating classes, will always remember Ronnie and Ray as fine classmates. Both boys shared our interest in school activities—Ronnie as a member of the Wrestling Team and Ray as a member of the Junior Optimists. Their sudden deaths were a shock to us, but they will always remain a part of the memories of our high school days.

Recognition Night . . .

1956

Recognition Night is a tradition-studded ceremony held each commencement to honor those Cuyahoga Falls High School graduates who have been outstanding in the various high school pursuits. In a sense, of course, all those who have met the requirements for graduation are honored — but this is an attempt to single out and honor those students who have attained the highest standards of achievement in recognized areas of school leadership.

Unfortunately, we are unable to make mention of all students who received awards. These pictures, however, portray some of the high-lights of the June, 1956 Recognition Night ceremony.

Randal Miller receives the coveted George A. Pinkerton Manhood award from Mr. Howard Saurer, Dean of Boys.

Leadership award winners, Jim Gregory and Sheila Mulcahy, pose with the traditional Student Council trophy.

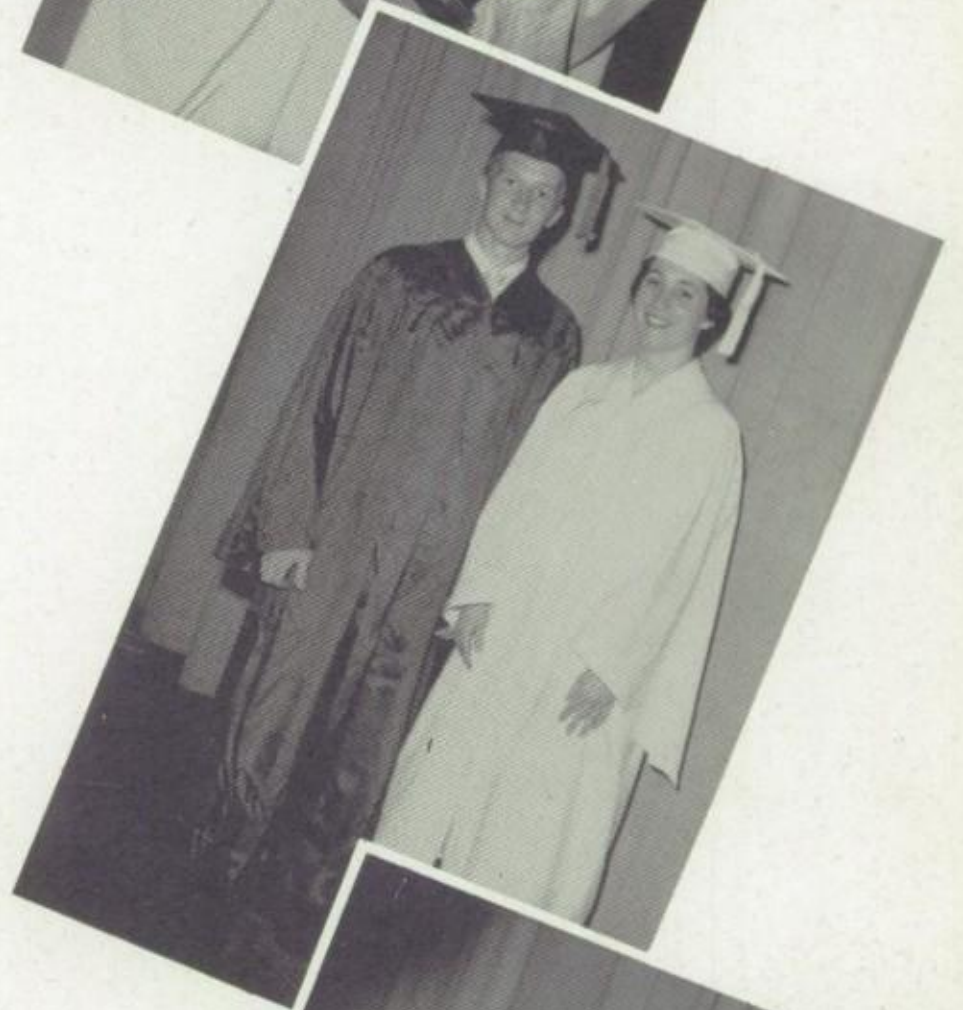

Carol Sue Carper is shown receiving the Rowena Ross Womanhood trophy from the Dean of Girls, Mrs. Elizabeth Ellis.

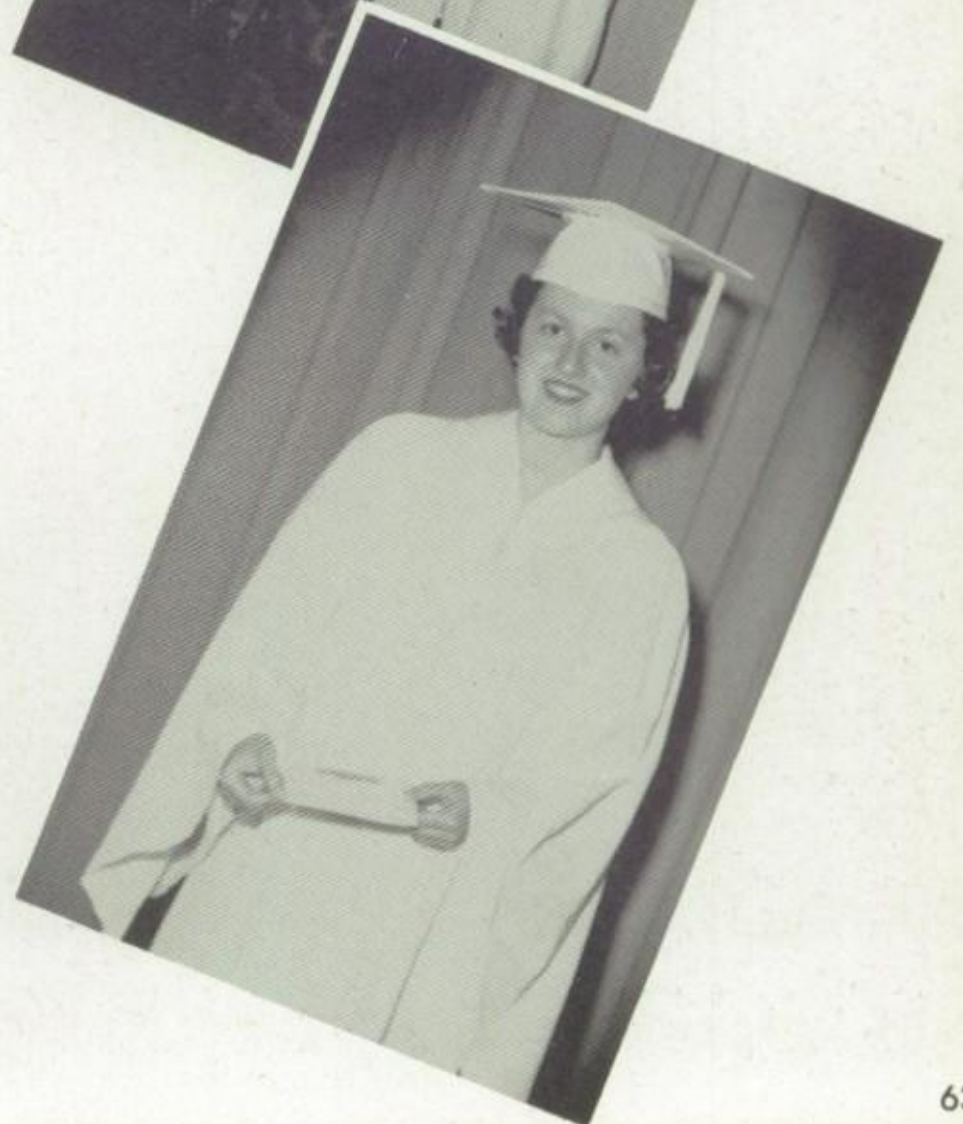

Top Right: Nancy Oldham displays her well-deserved Booster Club trophy, a token of appreciation for her efforts as the outstanding Falls High booster.

Center Right: Jerry Davis and Barbara Mitchell, Danforth Foundation Award winners.

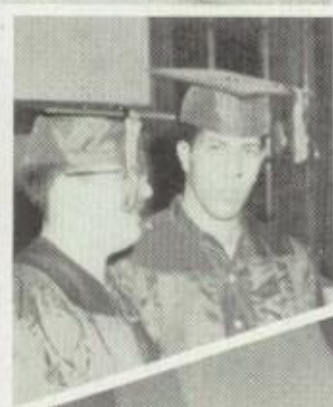

Lower Right: Marsha White, winner of the Welker-Lee Memorial Scholarship, which is worth seventy five dollars toward college expenses.

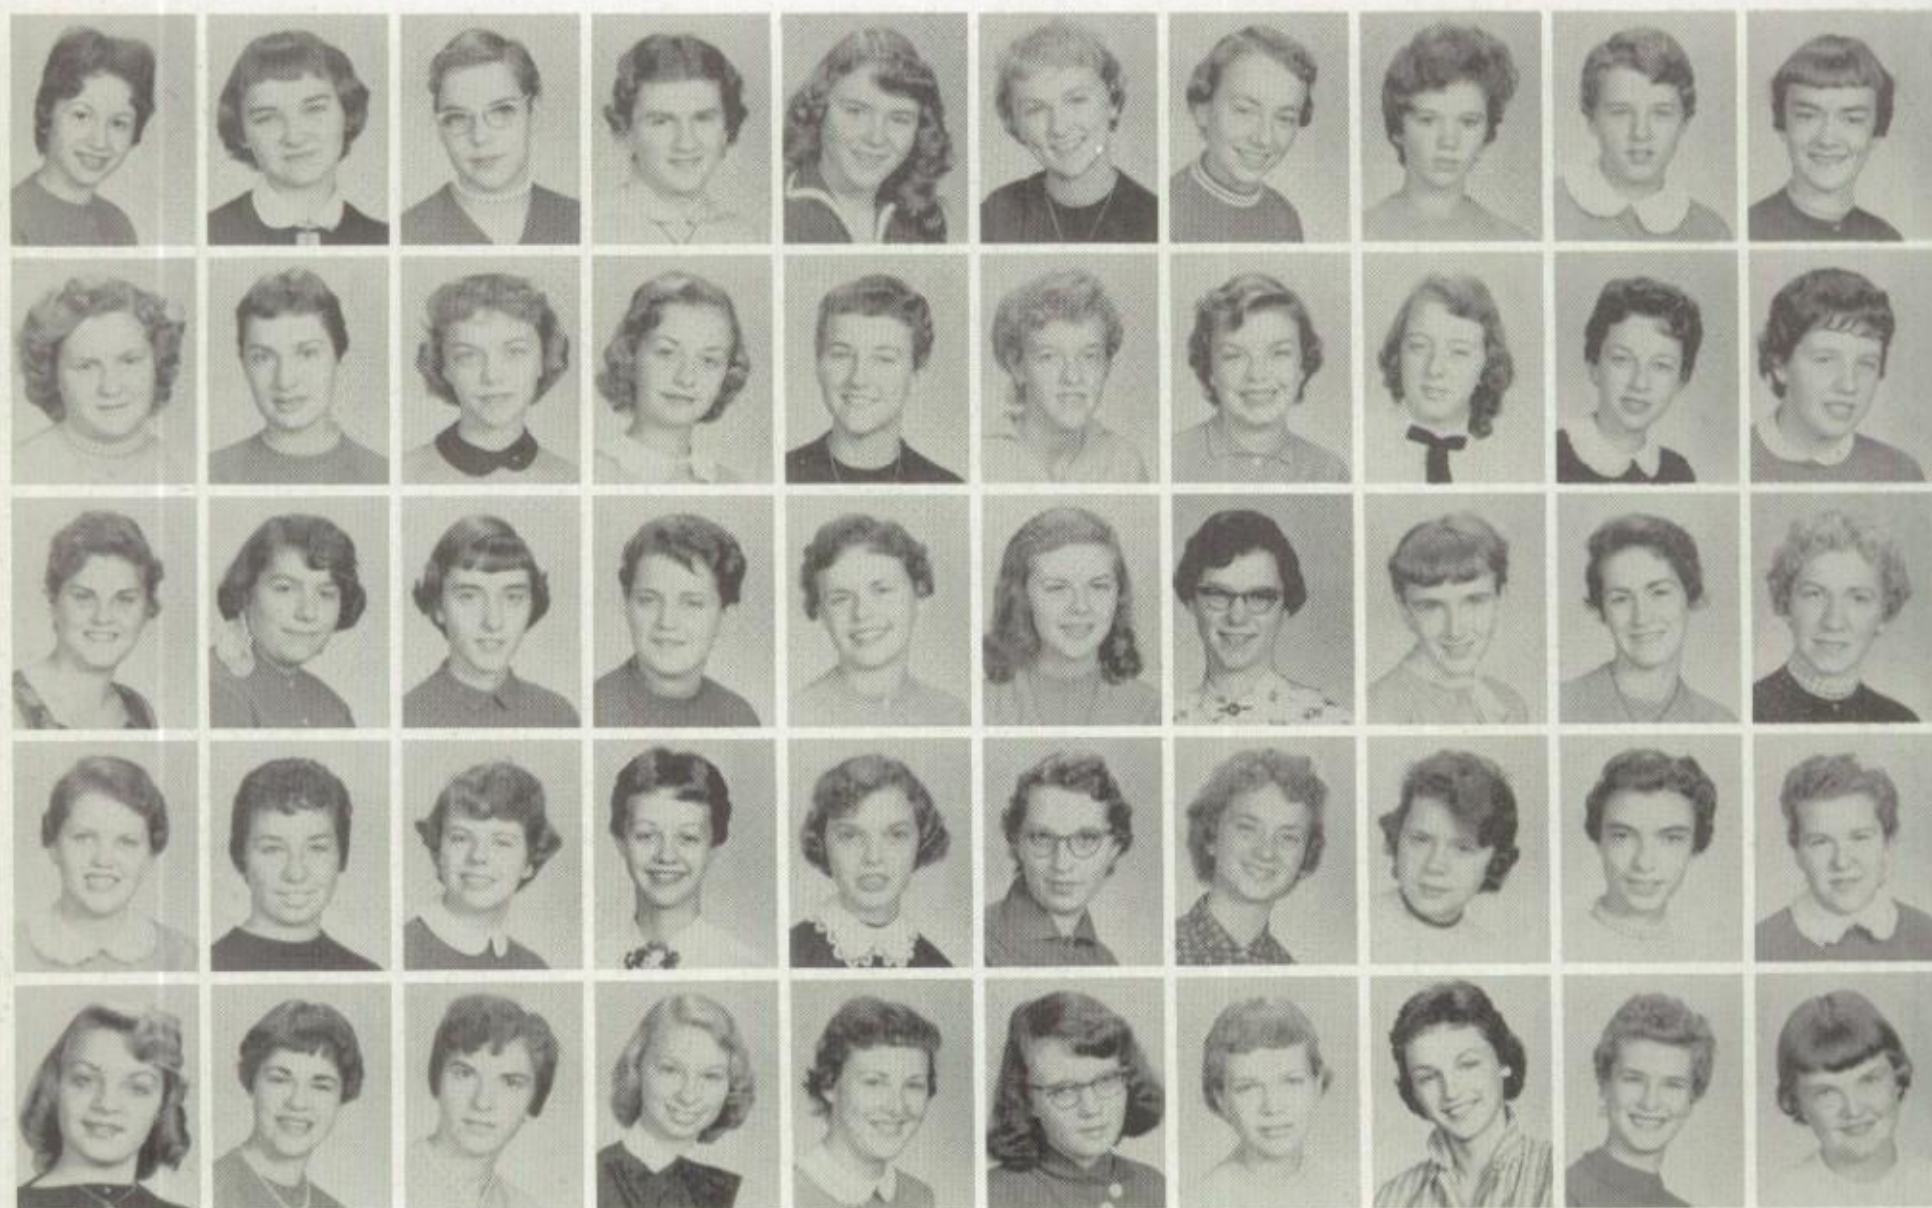

Lower Left: Paul Chapman accepts the Bausch-Lomb Science Award and congratulations from Mr. Clarence Hinkle, science instructor.

STUDENT COUNCIL

Student Council, one of the most influential and active school organizations, works to promote a better understanding and co-operation between the faculty and the student body. The number of representatives is proportional to the size of each class and members are chosen by their classmates. Election to the ranks is one of the highest honors and responsibilities that can come to a student.

Its many worthwhile activities this year included the Christmas canned good drive, assisting at open house programs, selling mums at the Homecoming Dance, school clean-up, sending representatives to state and National conventions, sponsoring the leadership award and originating the Akron Student Council.

Mrs. Ellis and Mrs. Shaffert are the advisors of Student Council.

Spring Officers: President, Mike Ostergard; Vice-President, Tom Smith; Corresponding Secretary, Wanda Nye; Treasurer, Bill Disbro; Recording Secretary, Martha Henderson; Parliamentarian, Don Cole.

Membership in the National Honor Society is only obtained by those students whose character, service to the school, leadership and scholastic ability have been maintained at a high level during their high school years. Each member must have a 90 or above average and keep that average fairly consistent as long as he is associated with the National Honor Society. The National constitution limits membership to 15% of the 12-A class, 10% of the 12-B class, 5% of the 11-A class and 3% of the 11-B class. Mr. C. S. Howard acts as sponsor of the National Honor Society.

F. N. A.-Jr. Optimist

The membership of Future Nurses of America is drawn from students in grades 10, 11, and 12. Its purpose is to arouse interest in nursing and its allied fields.

The club members assist in the nurse's room with physicals and visual and hearing tests. Many of the girls volunteer their services at the Health Center and help administer polio shots.

Their other activities include sponsoring a party at the Children's Home and singing Christmas carols at the Old Folks Home.

Mrs. Jackson, the school nurse, is the advisor of Future Nurses of America.

The Junior Optimist Club, with the help and instruction of Mr. William Watson and the Senior Optimist Club, is one of the many boys' clubs at Falls High.

Its purpose is to create an understanding between the boys in the club and to promote leadership and friendship. The club has many projects some of which are providing ushers for the football games and the basketball games, sponsoring one of the after game dances, and making a scrapbook which shows the progress of the club during the year.

The Senior Optimists Club, which is nationally known, is very active and helpful in providing recreation for the club members. It has provided tickets for the members of the club for sporting and other events.

Key Club

KEY CLUB

The aim and desire of Key Club is to develop initiative and leadership, to provide experience in living and working together, to serve the school and community, and to accept and promote the constitutional objectives of Kiwanis International.

Projection Staff

Row One: Bill Leiter, Larry Middour, Pete Sechrist, Jim Gilkey, Charles King, John McBeath, Bobby Davis. *Row Two:* Mr. Shank, Glen Carey, Bob Gilkey, Dave Traverse.

The projection staff is one of the many clubs and organizations in the school. However, it is very different from the others in two ways. One is that there are no officers and the other is that no meetings are held. Each member of the projection staff is scheduled to be in the Visual Education Room, 305, one period each day. If there are no movies to be shown, the period is used for study. Each projectionist is trained to run and take care of the projector in room 305, the one in the projection booth in the auditorium, the lights in the auditorium, and various strip film and slide projectors. Another job is to set up and regulate the sound equipment in the auditorium for assembly programs. The staff is under the direction and guidance of Mr. Shank.

Radio Club

The Falls High Radio Club was formed in the Fall of 1956 by a group of boys, many of whom were "hams." Our purpose is to stimulate interest in radio and to help students secure amateur licenses. We have held regular classes in Morse code and a demonstration of a mobile unit was given to increase our membership. An assembly on transistors was given on our behalf by a representative of Bell Telephone Co. Plans have been made to secure a station license for our school and progress has been made in building our equipment. We give our sincere thanks to Mr. James, our sponsor, for without his co-operation and help our club would not have been possible.

H. A. Preston

H. A. PRESTON

Membership in H. A. Preston is available to those students who are in 10A or above and have an 85 average.

Its purpose is to become familiar with the opportunities of teaching, to cultivate the qualities essential to a good teacher, to study the lives of great teachers, and to foster the development of student leadership.

Some of H. A. Preston's worthwhile activities are tutoring weaker students, ushering at N.E.O.T.A. and College Night and observing for one half day an elementary classroom. This latter project is made available only to senior members of H. A. Preston.

Mr. Peebles is the advisor of H. A. Preston.

B - W CLUB

Members of BW learn and practice the fundamentals of library work. The purpose of this club is to be of service to the school by acting as student librarians.

This year's projects included selling football pencils and black and gold bracelets, sponsoring a banquet for the study hall teachers, presenting the graduating seniors with pens and printing and selling Basketball programs.

A twenty-five dollar scholarship is awarded by BW to a student who is truly interested in becoming a librarian or teacher. Their activities are guided by Miss Mary Patton Mrs. Mary Carter.

"RANCHO RIVERA"

The highlight of the 1956 A Cappella Choir's spring activities was the presentation of the operetta "Rancho Rivera." The entire ninety member choir participated in this two act musical production under the direction of Miss Josephine Long. With flashing costumes, skillfully designed scenery and spirited music the audience enjoyed a visit to a Mexican ranch. This performance was of the same caliber that we have come to expect of Miss Long's excellently trained choral groups.

Black Tigers Football

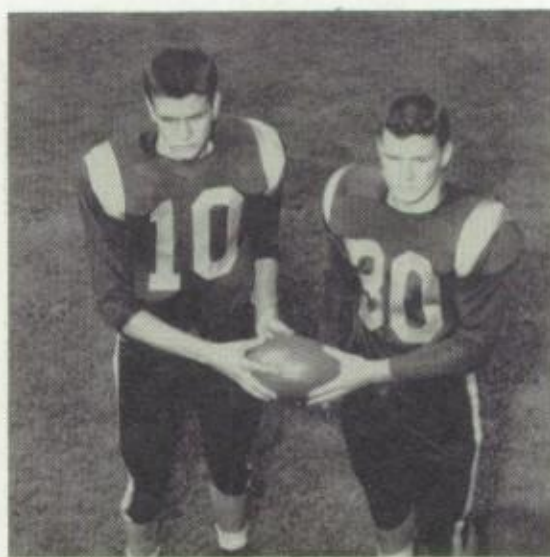

In Coach Shaw's second year at Falls he built a fine team around All-District halfback Ron Lyons and quarterback Dave Cyrill. Playing a very tough schedule, the Tigers proved they had what it takes by defeating such highly-rated teams as Steubenville and Barberton.

The future looks bright for the Tigers as the starting team was composed of six Juniors and Sophomores.

Black Tigers Basketball

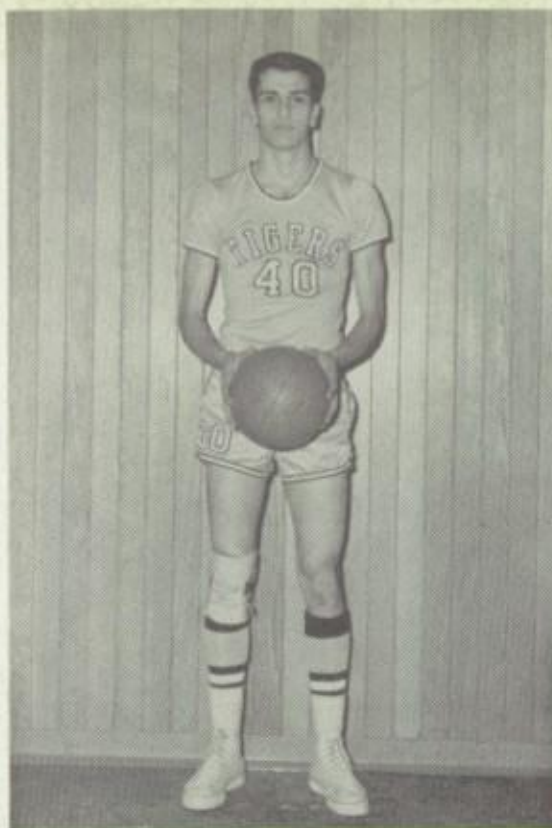

The 1956-57 edition of the Black Tigers basketball varsity has been one of the best in the history of Falls High. They proceeded undefeated through their first fourteen games and not until the season finale against highly rated Steubenville did the Black Tigers obtain their first loss. At press time the state tournaments had not yet started but Falls was picked to go a long way. The big scorers for the varsity were senior Dave Cyril and sophomore Bill Knights. Cyrill breaking the school record for scoring in one season. Bob Pratt was the big boy at center and steadily improved as the season progressed. Harry Kalbaugh and George Miller were the play-making specialists, and Karl Hilgert finally shook his injury jinx to become a steady scorer and good ball handler. Denny McInteer and Val Jekkals along with Miller were the capable, frontline substitutes.

Following is the record of the Black Tigers which includes victories over the powerful teams Canton McKinley, Kent Roosevelt, Akron South and Massillon.

Falls High had its best swim team in years this season as it dethroned Buchtel to take the Akron area championship. Falls was led to its 7-0 league record by its stars, John Westman, Carl Catt, and Mike Levering. Westman was the real big gun, though, showing his strength in the post-season meets at Akron U. He set several new pool records at Akron during the season and in these meets.

Ralph Halliwell and Ted Eisenman.

Al Jacobs and Bob Aubele

The wrestlers, led by Coach Hinkle, again had a good season this year. They gave good battle to some of the better teams and individuals in the state. Stand-outs for the Tigers were lettermen Ralph Halliwell, Ted Eisenman and Al Jacobs, and new grapplers Bob Aubele, Bill Barnes, and Dwight Talley. Coach Hinkle has high praise, especially, for Halliwell and Eisenman who should do well in the state-wide tournaments.

TENNIS

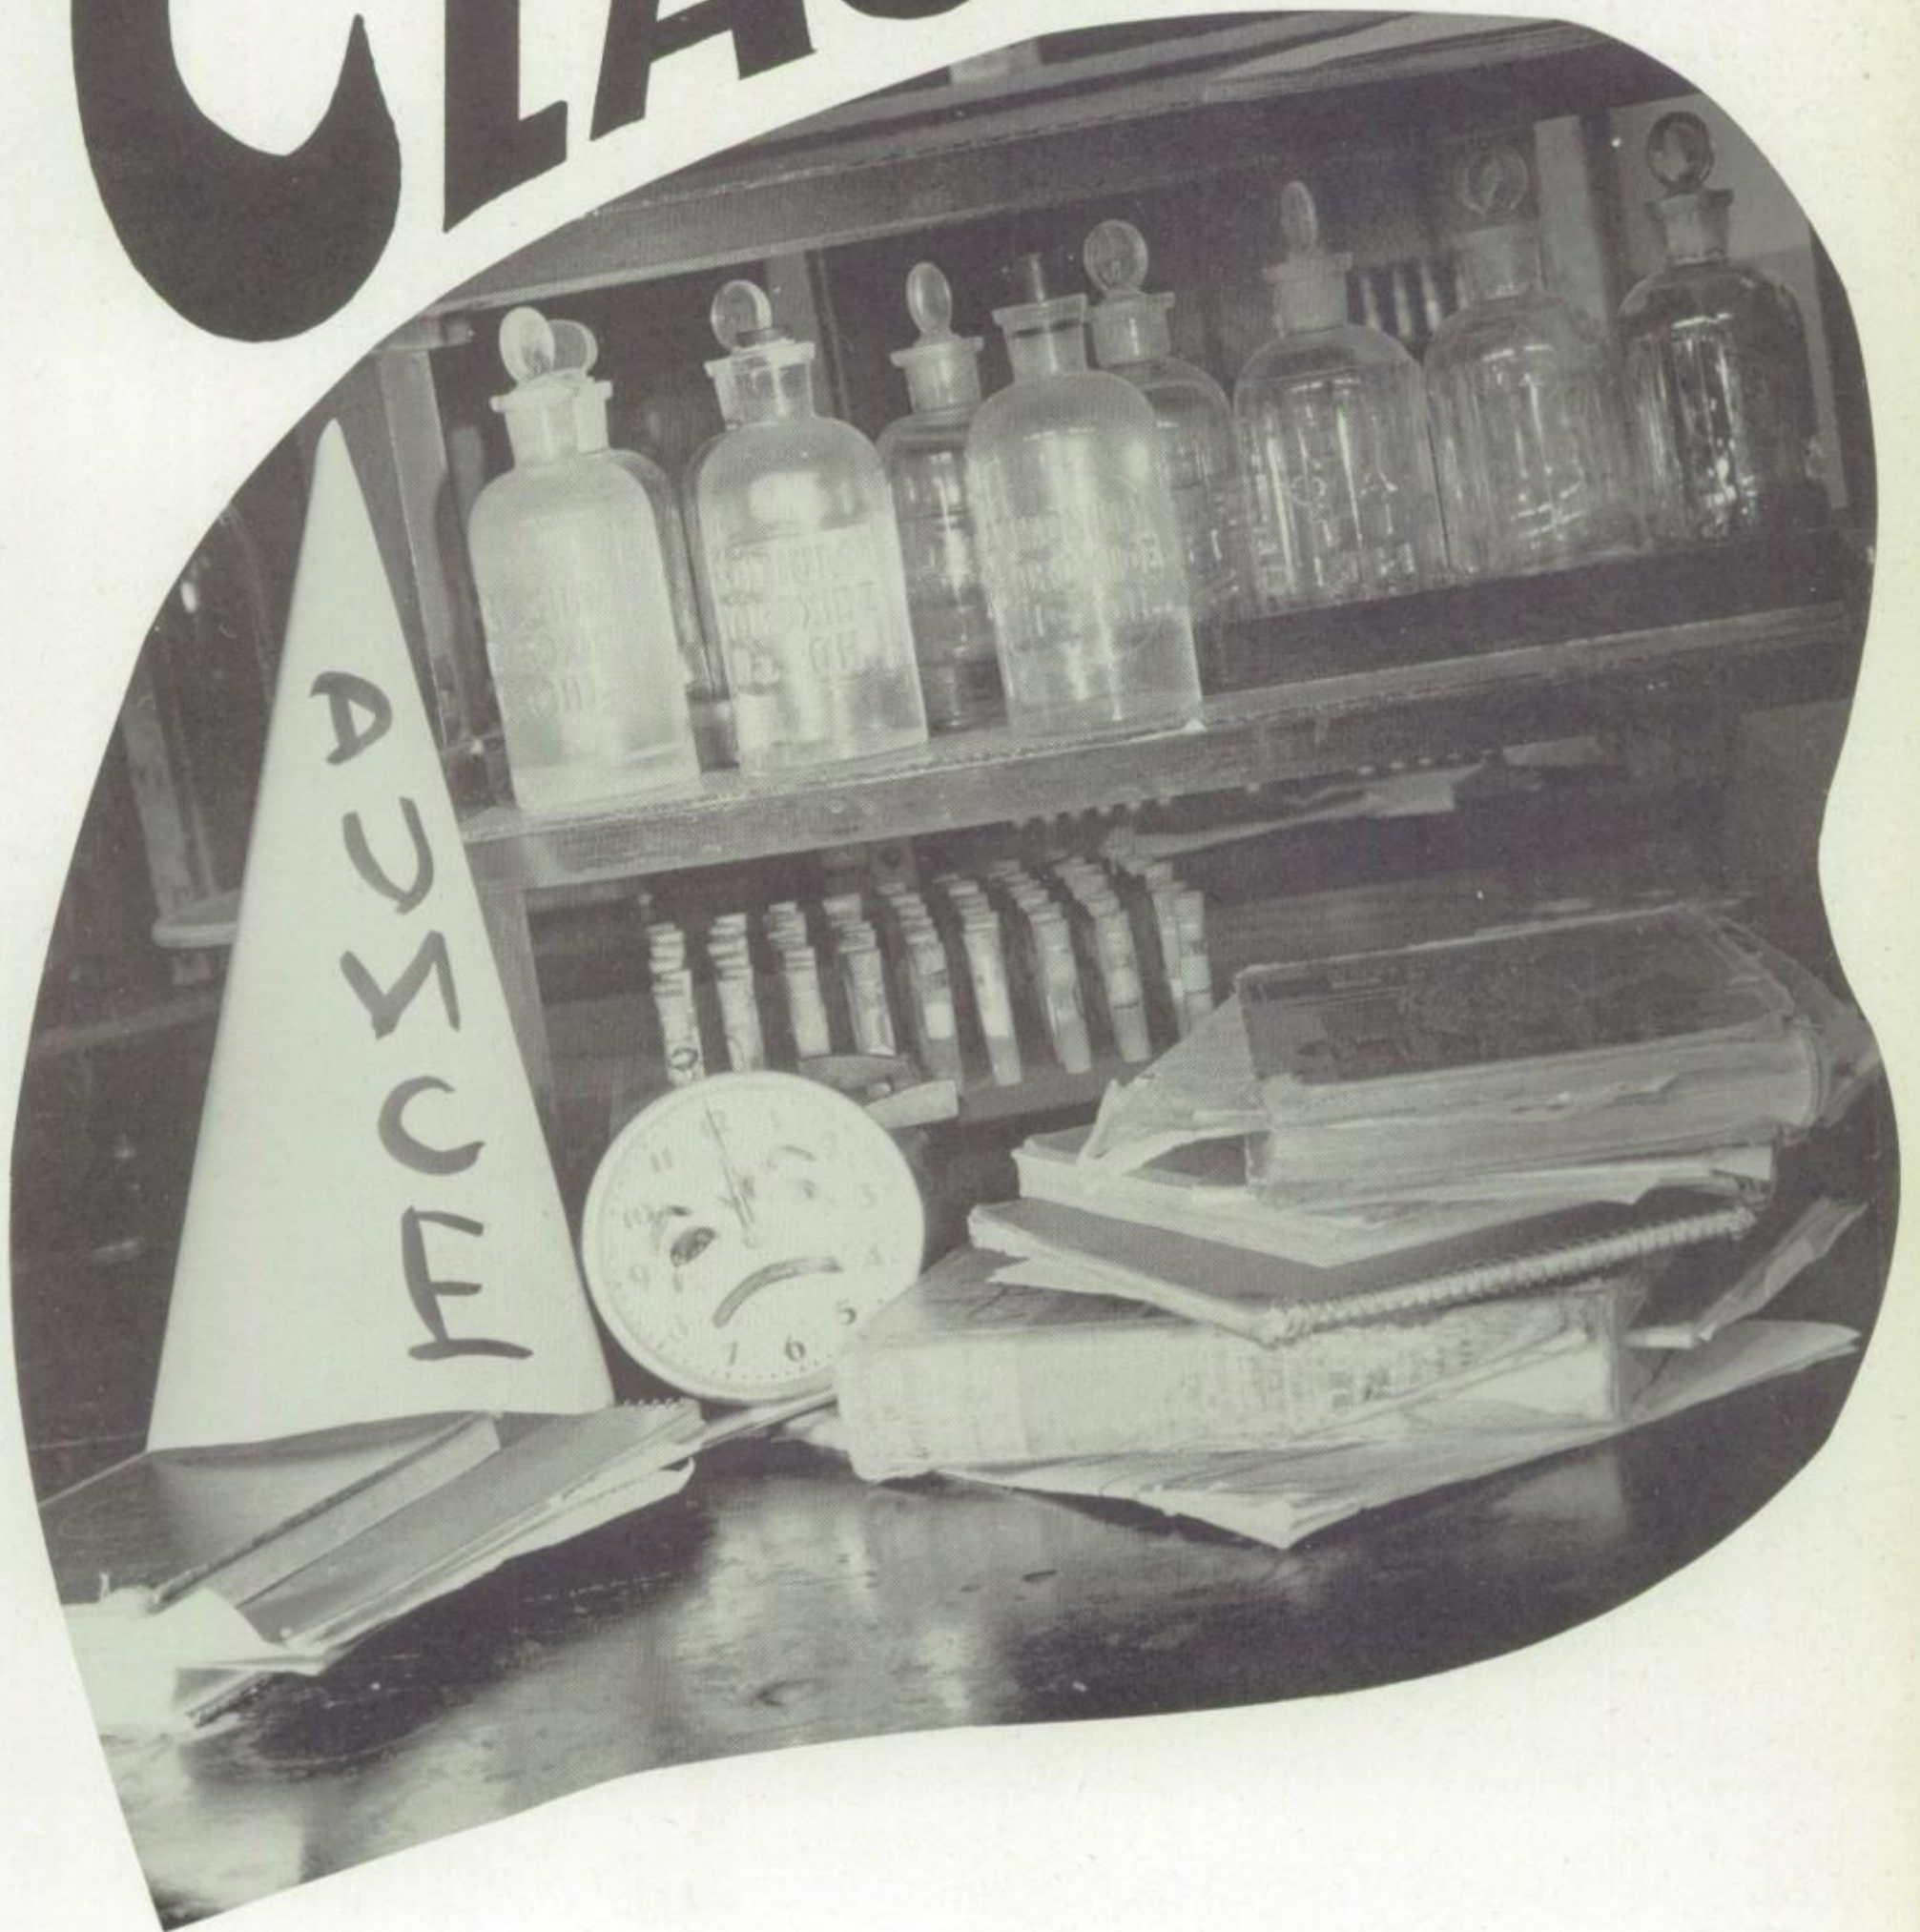

Left to Right: Coach Watson, John Halleck, Dave Peterson, Fred Leffler, Jack Archer, Jerry Ball.

Jack Archer

In the past few years our tennis team has become one of the strongest in the area. Tennis is a sport in which victory depends upon the individual players rather than the team as a whole. This fact has been well shown by the sterling play of Jack Archer. He has led the Black Tiger tennis team for the last three years by being undefeated in league action. Coach Watson has the highest of praise for Jack and the rest of the team which compiled a fine record last spring.

TIME FOR CLASSES

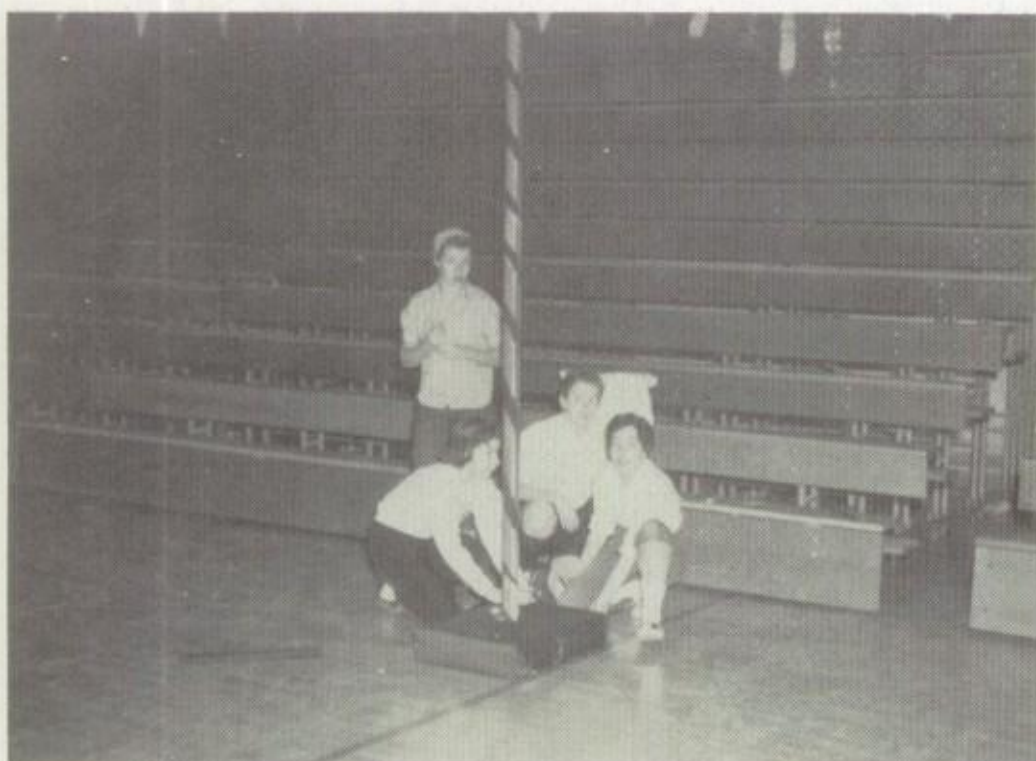

Students in the art classes find many outlets for their talents in making decorations for various school activities.

Under the guidance of Mrs. Wilhelm, the instructor, art students express their creative abilities. Painting and poster making occupy much of their time.

Members of the Booster Club trimmed the gym early in the morning for the evening's Football Homecoming dance. The decorations were made by the art classes.

Library

Wayne Deryck, Larry Beck, Mona Bartley, George Kelly.

Miss Patton, Gene Hoover, Lois Lauck.

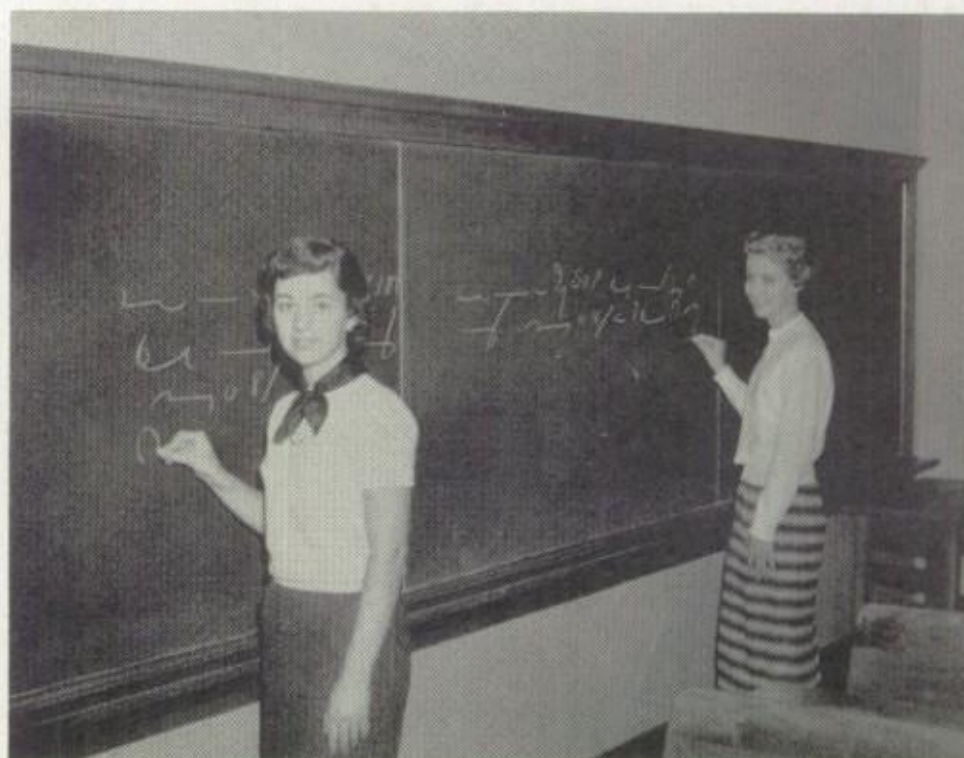

Sharon Pieczynski, Marion Salmon, Pat Politz, Carolyn Vinn, Nan Mosteller, Gayle Atkinson.

Unraveling the mysteries of debit and credit the bookkeeping classes prepare for the business world. They learn this skill under the guidance of Miss Holst and Mrs. McClanahan.

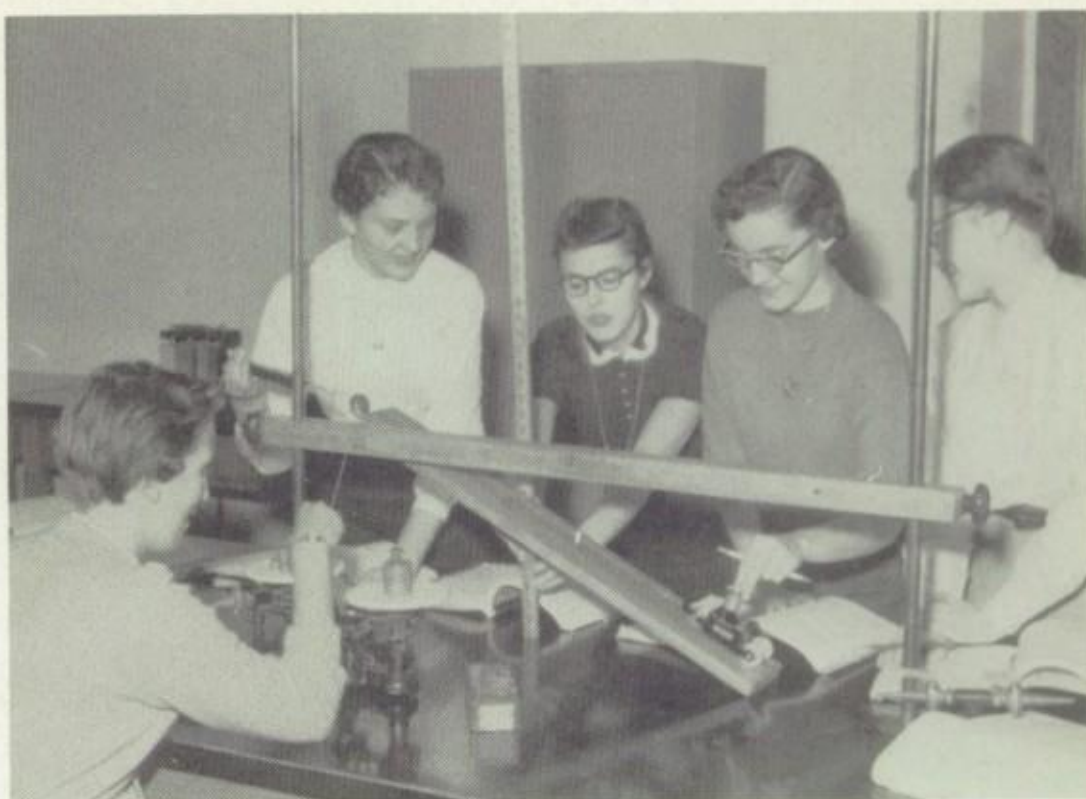

Shorthand characters which look like hieroglyphics to most of us are meaningful to the students of Miss Haberkost and Mrs. Newstetter's classes. Shorthand plays a vital part in secretarial work.

Accuracy and speed are achieved in the typewriting classes. Directing this useful training which is a must for business and an asset in school work are Miss Holst, Mrs. Newstetter, and Miss Haberkost.

Science Classes

Left to Right: Marjorie Rafos, Kay Robinson, Lois Howald, Judy Walker, Martha Henderson.

Left to Right: Sally Steinhauer, Mildred Stein, Bill Stafford, Tom Robb, Sandra Reid, Karen Reichert.

Left to Right: Ellen Buchanan, Margaret Knisely, Betty Marton, Joyce Mosier.

Despite this machine age there is still a demand for skilled woodworkers and C.F.H.S. is doing its part in turning out competent ones. One of the many activities of these classes is to make and repair articles for the school under the supervision of Mr. Haught.

With sparks flying and lathes humming, the future metal workers of America are learning their trade. Four semesters of metal work are available under the direction of Mr. Moyer.

Future draftsmen and engineers are offered a four semester course in mechanical drawing, taught by Mr. Ackerman.

Home Economics

Becky Richardson, Virginia Potter,
Glenda Thomas, Mrs. Rook, Nadine
Nixon.

Connie Jenkins, Nancy Lowe, Amy
Lipscomb, Linda Mason.

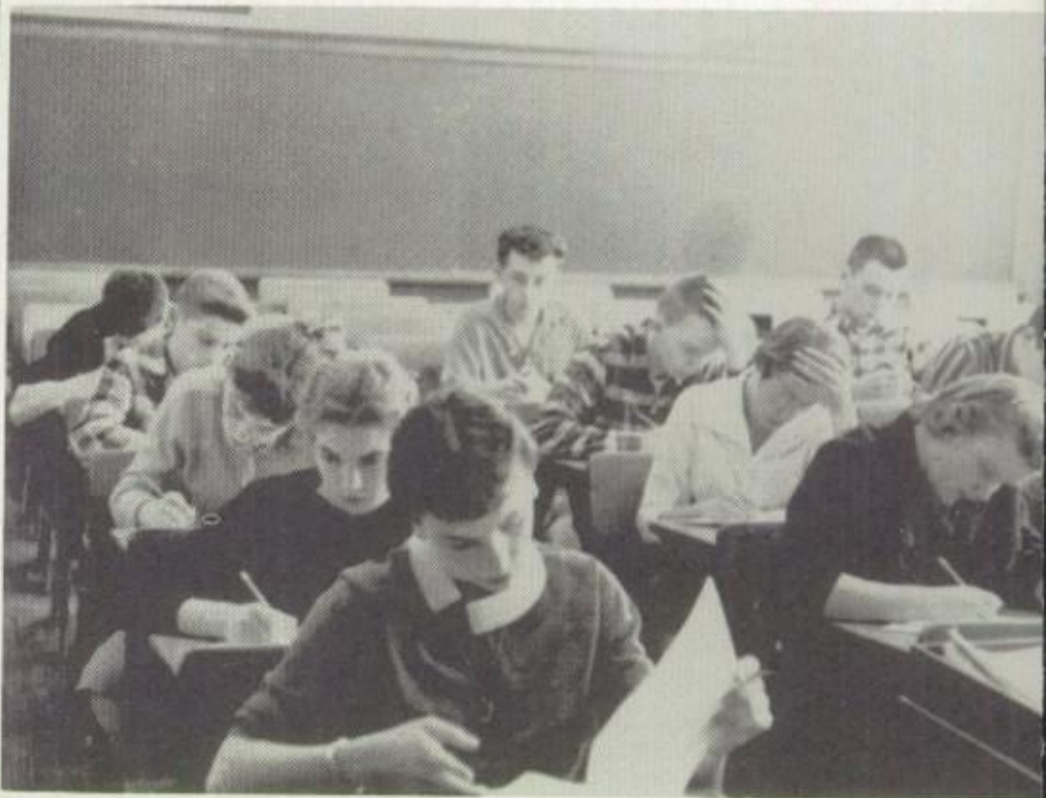

Marilyn Wells, Alice Rinker, Janet
Dotson.

During the fall and spring of the year, the gym classes are held outdoors. This gives the students an opportunity to participate in such activities as touch football and tennis.

The scene shifts to a classroom situation. These students are busily engaged in writing or trying to write the correct answers to the examination.

The girls also have opportunities to enjoy the pleasant falls and lovely springs of Ohio. Every attempt is made to have the students outdoors as much as possible in their gym activities.

The locale is the girls' gym. The girls pictured here are trying to retrieve a ball which has bounced out of the scope of the camera lens.

The "Cavemen" do a few cheers to help tell the tale of the "History of the Tiger".

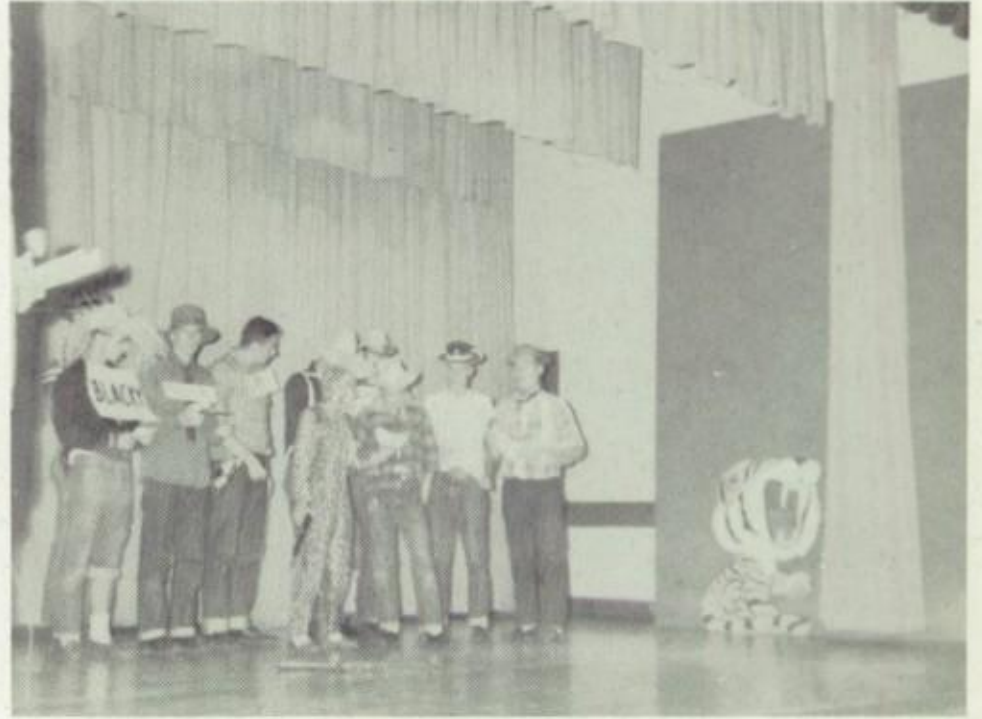

A few members of the student body don the apparel of the 1920's to further the story of the evolution of the tiger.

Rallies

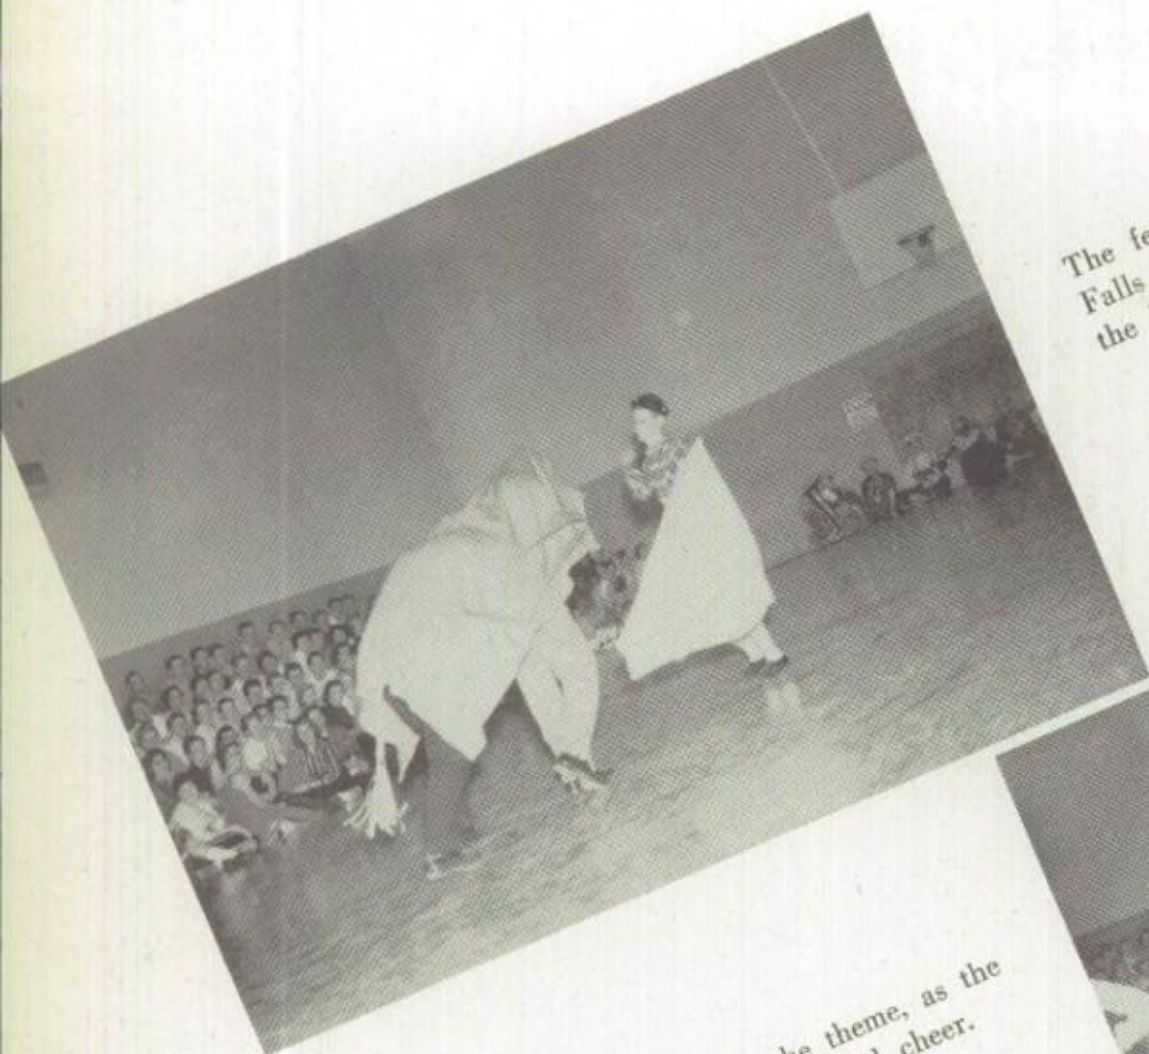

The Black Tigers including Blackey, Pedro, and Slim were being whipped into shape by the Falls High tigress. There they are singing a song.

The bandits, hoping to be victorious in the game, chase each other off the stage and down the aisle.

Pep

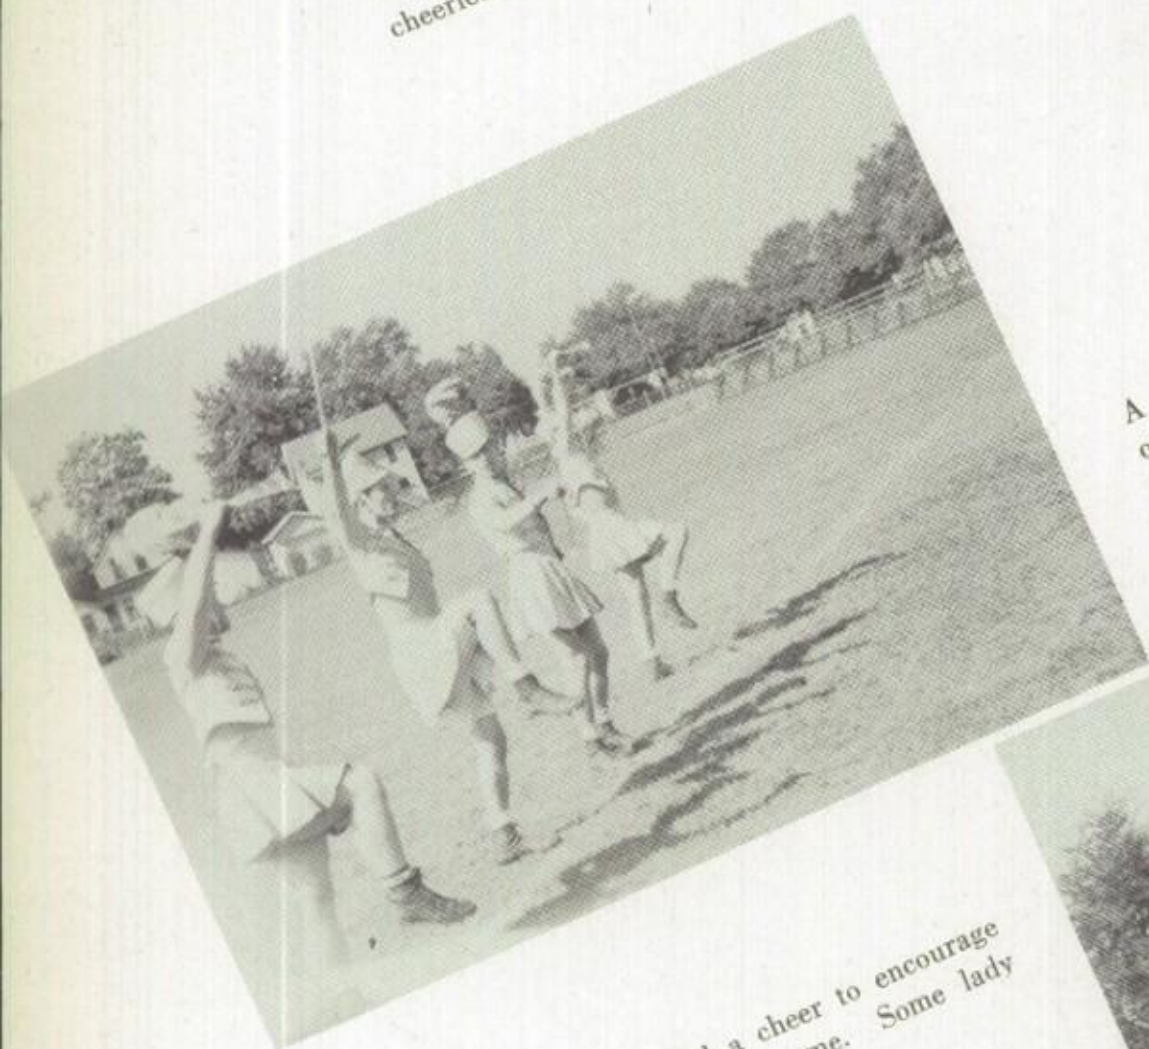

The ferocious bull is out-witted by a renowned Falls High bullfighter. In the background is the band of "Perez Prado and His Boys."

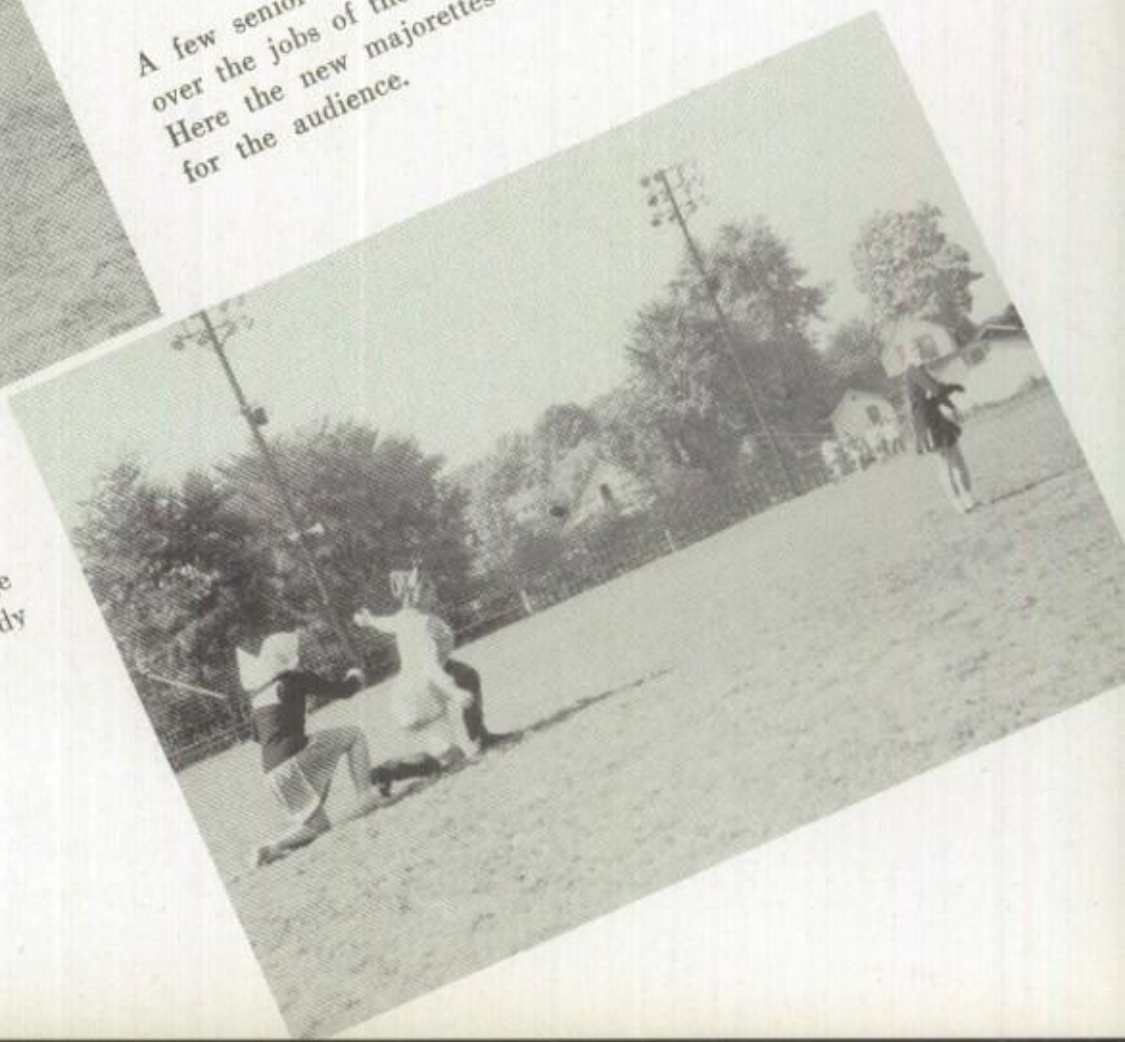

"South of the Rio Grande" is the theme, as the cheerleaders do a Mexican dance and cheer.

A few senior boys, during football season, took over the jobs of the cheerleaders and majorettes. Here the new majorettes are doing a "routine" for the audience.

The new cheerleaders lead a cheer to encourage spirit and attendance at the game. Some lady seems to be a little out of step.

Rallies

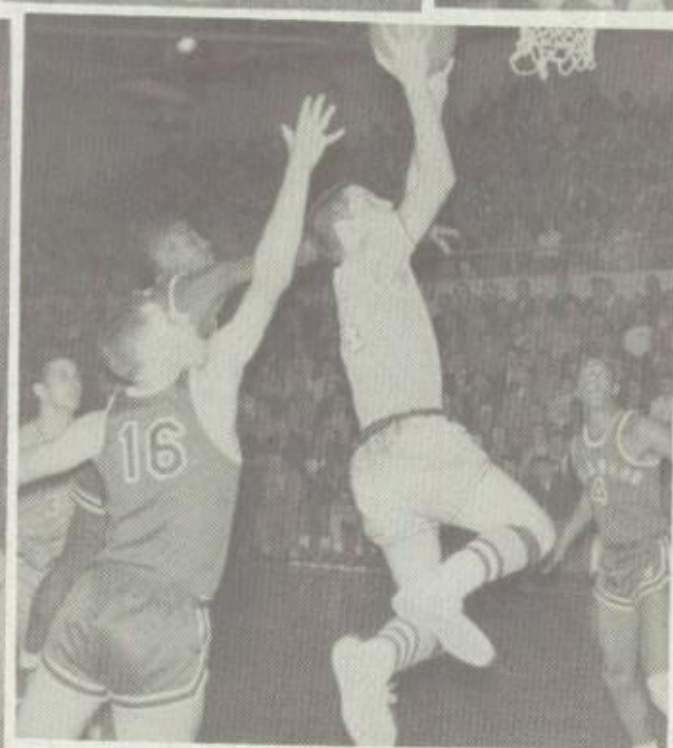

North looks over the ghosts of past foes of the Black Tigers as he wonders what his fate will be.

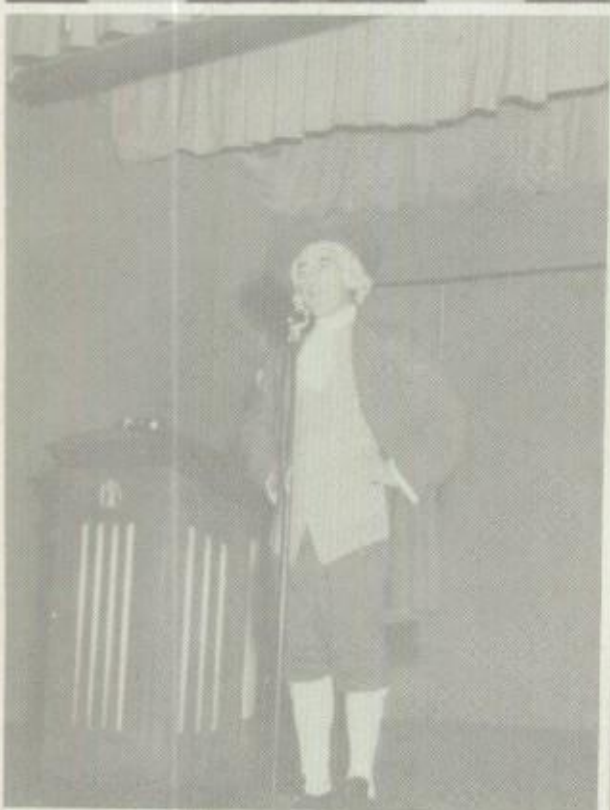

Three anonymous witches mix up their secret brew for a winning team.

JUNE 1956 RECOGNITION NIGHT

To our Subscribers:

We, the 1957 Cuyahogan Staff, wish to extend our deepest thanks and appreciation to all those who have assisted us in making our yearbook a success.

Gratitude is due to Mr. Nau, one of our two advisors, who has given general direction, management, and co-ordination to our activities. To Mr. Saurer, our business advisor, we owe another vote of thanks for his experienced handling of the financial end of the book.

Thanks are due, also, to Mrs. Wilhelm for her invaluable assistance with the art work in our "Cuyahogan". We are grateful to Mrs. Newstetter and her typing classes, who have prepared the bulk of our copy.

Last, but by no means least, we are indebted to the faculty, students, and business establishments who, by their financial support, have made this volume possible.

Sincerely yours,
THE STAFF
